

Fast Track

I wanted you to have a totally GDI compliant system to get you to the levels we have discussed in the quickest, most efficient manner and this is it:

SET GOAL

Set your initial goal at ten new team members

ACTIVATE TEN

While you can approach anyone as suggested in both the [ATM](#) and [Infinity Plan](#), I would recommend utilizing GDI's phone-verified leads. Start with ten @ \$30.

www.website.ws > My Account > Log In > Order Goodies > Phone-Verified Leads

CALL THEM PERSONALLY

Call the leads personally and utilize the [What to Say](#) approach to encourage them to start a seven day free trial.

GIVE THEM THE MAP

During the seven day trial period, be certain new team members have the universal PDF [Master Action Plan](#) and that you personally assist them. By now they know what they want if they didn't have to work for a living, how much they need (monthly income) and how to achieve it (the income calculator). It's your job to help them achieve it by simply following the "MAP"

DUPLICATE

Teach your new team members to follow this procedure.

Help enough people get what they want, and you'll get what you want.
