- Global Domains International

As your Team Leader, allow me the privilege of insuring that your your expectations are not simply met, but truly exceeded. Let's talk about your options to maximize your results. For example, when you went to Step #2 of the Acme People Search signup you also joined the GDI hosting to accomplish three things:

Welcome to Global Domains International

1. To provide your own branded domain name allowing YOU to advertise the Acme People Search program.
2. And to earn residual referral income from GDI as well.
3. To have your very own personal website and generate a separate global passive income stream.

I am going to suggest that YOU do a couple other things, that will create a DRAMATIC difference in your production and income. Use the first domain that YOU purchased from GDI exclusively for Acme. It likely has a “search” theme and that’s perfect for your Acme People Search business. (e.g. OwensPeopleSearch.com).

Add another domain from GDI (\$10.00 per month) and build your own personal web site - *Why?*

You will now be able to launch *all* of your income opportunities from your site, with your identity and your email addresses, easily making changes or additions (no charge ever) at your discretion, *plus* take full advantage of Global Domain’s extensive and effective resources for guiding you to, “*An Income For Life.*”

Exclusive to the GDI Owens team is this presentation that could direct traffic to your new GDI website. Imagine the power of placing this presentation on YouTube, FaceBook, Twitter or any place you like?

What If You Didn’t Have To Do This?

By the way, creating your web site is easy, fun and accomplished by simply pointing and clicking. What could it look like? Take a look at these for examples: www.weblegacy.ws www.yourglobalbiz.ws

ESSENTIAL TIP:

On your Acme People Search, go to your back office and click on the "GDI" tab located at the top of the page. Next scroll down to the bottom of the page and make sure you GDI - I.D. is in the box. (If it isn’t, simply enter your I.D. and click [UPDATE] at the bottom of the page)

After completing Step #3 > back office > GDI > [Tissa's "Secret" GDI Sign-up Sauce](#)

Then click on the [[Yes](#)] for the Forced GDI Hosting.

Why? This will generate additional GDI sign ups through your Acme affiliation and at the same time, add residual income for you from GDI.

Also, if you haven’t already done so, download SKYPE at www.skype.com Skype is free and lets you talk for no charge through your computer to anyone in the Skype network. At your earliest convenience, email me the best time to set up a time when you are able to take a call and be in front of your computer.
