

## GDI Dedicated Site Example

Let's make this really easy and interesting for visitors to your site.

All the **blue** links in this document are active and you can try them. Currently they go to my site to demonstrate how a hyperlink works. When finished, they will all go to **your** locations.

All the **red** links are only inactive because we haven't chosen a place to link to yet.

OK so what do we have? GDI offers two main things webs sites and global income streams. I believe you should feature both. Here is an example:

How's this for your first page:

Example A

If you didn't have to work for a living,  
what would you really rather be doing?

Where would you be living?

What would you be doing?

There are many paths that would allow you to achieve  
your preferred lifestyle and you have likely noticed that  
working at a typical job is not one of them.

Imagine creating your very own web site  
by simply pointing clicking and saving  
with the option of earning a global passive  
income by just referring to others.

**Page 3 Automated Business**

For those of you who have decided that the time is *now* for you to set bold new levels of financial independence and you want to achieve these levels, quickly and efficiently, we have a unique “ATM” plan for you and your organization.

Also, wouldn't it be nice if someone would automatically;

Create a “recruitment” website for you, with your name and information encoded?

Provide a “testimonial” web site for you with your name and information encoded?

Maintain a complimentary invitation email program and follow-up system for you?

Offer a professional presentation to your qualified leads at your website 24/7?

Sign up new individuals on your behalf?

Notify you by email when you have new team members?

Provide all the necessary training for new members?

Set up their recruitment sites?

Provide professional support and complimentary training for your entire team?

It is not a dream - It is a reality

By utilizing our exclusive ATM plan in conjunction with the GDI Wealth Plan, everything is in place to insure you confidently and effectively become a part of a vital solution. You are now able provide and refer a truly useful, reliable, affordable service, delegate the selling, entrust the training and focus your time and efforts to simply referring and introducing new people to the concept.

As a direct result, you and your organizations  
will generate substantial incomes for life.
